

New PDC Smart® SureImage® Wristband

PDC Smart® SureImage® Wristband is the ideal wristband for high-impact branding, counterfeit prevention and sponsorship revenue. Made of waterproof and fade resistant plastic for extended use. The combination of precise, full-color, photo quality printing will transform every guest's wrist into an instant mini billboard.

Features

- Non-transferable adhesive closure with tamper-evident cuts
- Full-color, photo quality custom printing
- Securely sealed RFID tag inside to reliably store and transfer data.
- Variable serialization and data to support guest registration or social media programs
- Waterproof and fade resistant dual layer construction
